EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR
 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jerry Miller on August 10, 2005.

The application has been amended as follows:

In the claim:

Claim 30, line 13, the term "selectable user options" has been changed to --user selectable options--; the term "the options having functions" has been changed to --the plurality of user selectable options having functions--; the term "the current" has been changed to --a current--.

Claim 30, line 14, the term "operational context;" has been changed to -- operational context that is selected by user;--.

2. The following is an examiner's statement of reasons for allowance:

The prior art fails to teach or fairly suggest the distinct features "wherein if the current operational context comprises..., then the user selectable options provide...wherein if the current operational context comprises a favorite context, then the user selectable options provide...adding to a channel to a favorites group" as recited in claim 30.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the
